The improved BioLite SolarHome 625 brings modern lighting, charging, and entertainment to the off-grid home. Featuring 25% more run time via improved LED efficiency, the system's three hanging lights provide overhead multi-room lighting, each with their own control switch and one with an included motion-activated sensor.

The entire process was seamless, and we were surprised at how well the solar light illuminated the space. We highly recommend Leadsun for their excellent service and grid-free lighting solutions.
