Up to 8% cash back? This lamp post is constructed of a die-cast magnesium/aluminum alloy and plastic and finished in a durable White powder coated finish. Featuring 3 lanterns, with 6 ???

Solar lamp post lights use tiny PV cells to power a rechargeable battery through solar power. When it gets dark, a built-in light sensor activates the device. More lantern heads mean more brilliant light output. Ensure your solar panel is up-to-date and efficient, as this will affect the brightness of the light emitted.

All-in-one design with solar panel, light engine and battery built right into the fixture; Learn about the many features of the LED Post Top Light and just how easy it is to install 188 S. Northwest Highway | Cary, IL 60013 | (847) 380-3540 | FAX: (978)-913-3317.
