The prices for surplus solar energy range between 4 cent and 8 cent in Portugal. It does not really compensate the investment. So you should only install the solar panel system based on you own consumptions needs. It does make sense to install as well a battery. In Portugal you will need a lot of engery as well during the night.

The prices for surplus solar energy range between 4 cent and 8 cent in Portugal. It does not really compensate the investment. So you should only install the solar panel system based on you own consumptions needs. It ???
