

Is solar power nation a good choice?

Don't fall for their apparent credibility; Solar Power Nation is a regrettable choice that could cost you both time and money. Steer clear to spare yourself the frustration. Skeptical to begin with, paying just 2599 AUD for 6.6kW system (Longi 425w panels x16 and Growatt 5kW inverter). 3 weeks between contact and installation.

How much does solar power nation cost?

If you've had a system installation via Solar Power Nation, we encourage you to add your review of the firm, its products and service. Reviewers report paying: \$3,600 - \$13,300 for depending on hardware choice and installation difficulty (how is this calculated?

Should you trust solar power nation?

Writing this review so people don't make the same mistake for trusting Solar Power Nation. The experience is truly a nightmare. Most people who put a good review mainly talked about how smooth the sales & installation. But if you are going to spend thousands of dollars, be sure to read what happens after sales when things go wrong.

Where is solar power nation located?

Solar Power Nation commenced operations around 2010. The company currently facilitates solar installations in New South Wales, Queensland, Victoria, South Australia and Western Australia. Its head office is in Sydney, with offices also in Perth, Brisbane, Melbourne and Adelaide.

Does solar power nation offer a warranty?

Beware - Solar Power Nation refuses to honour its warranty. We bought 5 KW of solar panels and a Solax hybrid inverter from Solar Power Nation [SPN].

Is solar power nation a scam?

It's a scam They offered a price then after accepting the deposit they changed the price (there was no additional info exchanged before they hiked up the price) They agreed to reimburse the deposit but never did. I went through my bank to have the deposit collected through them and solar power nation refused to refund. It's a scam.
