SOLAR SYSTEM HALLOWEEN COSTUME

This got my brain thinking, I could make a fun solar system costume for a girl as a skirt and she could be the sun! DIY Solar System Costume. I've thought about this costume for a year and think it's pretty easy for a novice sewer, even if you are making the black skirt.

And for the other half of the costume (though you can certainly wear this separately too), here's how to make the space costume: Materials (for space costume): a?? Rit All Purpose Dye in Black a?? White cotton sweatshirt a?? Gloves a?? Felt a?? Hot glue a?? Scissors + marker. How to Make a Solar System Costume

DIY Solar System Costume . This colorful costume uses tie-dye techniques to make a galaxy-themed backdrop on a shirt. Suitable for both kids and adults, it requires affordable materials like black cotton shirts, bleach, and tie-dye colors. The tutorial suggests it's a practical blend of fun and challenge, suitable for Halloween parties or

SOLAR SYSTEM HALLOWEEN COSTUME

I am a huge fan of all things space, so for my Halloween homemade Solar System costume I decided to embody my love for the our solar system. To start, I went looking for any and all space theme fabrics I could find. I decided on a galaxy print as the base, and was lucky enough to find another fabric that had all of the planets printed on it, of
