

Spectra energy surprised analysts with a net income profit of more than 20%. The company has even bigger plans for the future, as evidenced by the recent acquisition of Bobcat Gas Storage.

The Bobcat assets, as well as the employees that are joining the Spectra Energy family, are a very important addition to our leading Gulf Coast storage position," said Greg Ebel, president and CEO, Spectra Energy Corp. "Storage infrastructure such as Bobcat plays a vital role in meeting customers" needs for managing demand swings on a seasonal
