

What is a Su-Kam inverter?

A Su-Kam inverter offers a reliable solution, providing backup power during power cuts to keep your appliances and devices running smoothly. Explore a range of inverters on Bajaj Mall. Alternatively, you can explore a wide variety of inverters from trusted brands at our partner stores.

Why should you choose Su-Kam solar inverter?

Su-Kam solar inverter runs on highly advanced Maximum Power Point Tracking technology. MPPT Features makes the solar generating system so efficient that it is able to make nearly 20% extra solar power. Sukam Grid-tie solar power plant is the best way to get your ROI in the shortest period of time - just 4 years.

How many batteries do I need for a Sukam 10kVA inverter?

The Sukam 10KVA inverter is a 180V inverter, which means that it requires a battery bank of 15 units of 12V batteries. Recommended batteries are ideally up to 200Ah for optimum backup capacity, though lower capacities can be used.

Which is the best hybrid solar inverter in India?

Su-Kam Brainy Eco Solar HUPS1100/12V Pure Sine Wave Inverter Brainy Eco - India's Most Intelligent Solar Home Inverter Su-Kam's Brainy Eco is India's best hybrid solar inverter which is perfect for your home. It functions both as a normal inverter as well as off-grid solar system because it can charge batteries through grid and solar.

Does Su-Kam Brainy Eco have a warranty?

Service and Warranty on Su-Kam Brainy Eco: Brainy Eco comes with a warranty of 2 years. We have a service network of thousands of engineers and customer care staff who will help you if you encounter any issues with Brainy Eco. You can call us to report any problems that you are facing with our products.
