This Sunfusion review is for a solar company based in Klemzig who has been installing solar panels since 2010. Solar Proof has created this page to help solar consumers to identify customers and offer an avenue for past customers to leave reviews revealing their experiences.

Purchased the solar battery backup from Sunfusion in 2021. Battery stopped working in 2022. Walter changed it out in Sept 2022, but apparently did not have it wired correctly to the solar or the house main panel. The battery caused a whole house power outage on Feb 14, 2023. SDGE came out and said it was the battery connection.

Discover the power of solar energy with Sunfusion. We offer customised solar solutions for homes and businesses in Findon, South Australia. Reduce your carbon footprint and save on energy costs.

When someone leaves a review of Sunfusion Pty Ltd on SolarQuotes we ask them how many kW they bought and how much they paid. The price range displayed is simply the minimum and maximum price that reviewers have reported paying for that size of solar panel system from Sunfusion Pty Ltd in the previous 12 months.
