Catalyst. Download Sunnova Catalyst and enjoy it  
on your iPhone, iPad and iPod touch. ???The  
Sunnova Catalyst mobile app streamlines the  
Sunnova commissioning process to help users  
capture their commissioning photos and track their  
solar installation review.

At Sunnova, we can retrofit most solar systems to  
add a battery. The process will depend on how your  
solar panels are wired to your electrical system.  
Oftentimes, you'll need to replace your inverter or  
install a second battery inverter that allows you to  
run essential appliances during an outage. If your  
solar system has a string inverter

Sunnova Energy International Inc. is an American energy company that provides residential solar and energy storage services. The company was founded in 2012 and is headquartered in Houston, Texas.
