

How do I contact Sunnova?

Sunnova is easy to contact by email and phone, although it doesn't have an online chat option. Once you're a customer, you can also log into your customer portal to pay your bill, see your production history and contact support. I called Sunnova as a secret shopper to test the company's response time and customer service.

How do I sign up for Sunnova?

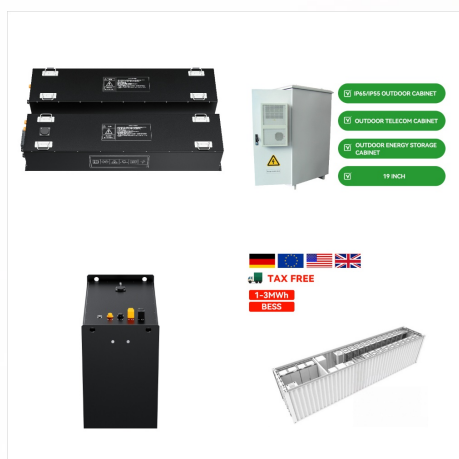

To sign up, you will need your Sunnova System ID. Your System ID is printed on your Sunnova Agreement and can also be found on the welcome email you received from Sunnova. Can't find your system ID? No problem! Give us a call and we can get you set up: 866-786-6682. What was my production?

How do I get a Sunnova app?

Open the Mac App Store to buy and download apps. The Sunnova App puts homeowners in control of their home energy by combining modern energy appliances, including solar, storage, and electric vehicles, in one, convenient app. Users can manage their devices; view hourly, daily, and monthly performance; and discover new ways to optimize their home.
