Suncor Energy Inc.'s price-to-earnings (or "P/E") ratio of 9.2x might make it look like a buy right now compared to the market in Canada, where around half of the companies have P/E ratios above 16x and even P/E's above 31x are quite common. However, the P/E might be low for a reason and it requires further investigation to determine if it's justified.
