

Who is sunroof?

SUNROOOF is a subsidiary of the MAGPIE group. We have innovated the world's first lighting system which transforms any ceiling into the sky with technology using special optics and design. You feel like you are sitting outdoors under the sky even when you are actually indoors.

Can a sunroof be installed on every floor?

Get the feeling of being outdoors even when you are indoors! Match the sky through the day and night to always maintain the perception of sunlight and skylight seeping through the Sunroof. Sunroof can be installed on every floor. *Suspendisse varius enim in eros elementum tristique. Duis cursus, mi quis viverra ornare, eros dolor interdum nulla.*

What is a sunroof & how does it work?

Bring Sunlight to Spaces Where it is Not Possible to Have it Sunroof gives life to any dead space. It brings the Sun experience to practically any room with a ceiling. Imagine being indoors yet enjoying the experience of daylight at your comfort. This advanced lighting system is ideal for offices, homes, basements etc.

How much does a sunroof cost in India?

The Indian audience has an obsession with features such as a sunroof and extensive chrome added to the exterior. There was a time when sunroof was among the premium features, but now hatchbacks such as the i20 and XUV300. Even panoramic sunroofs have made their way into the market and are available for under 20 lakhs.

How does sunroof affect a person's mood?

Dive into work, reading, or study with sharper focus. SUNROOOF makes us feel more relaxed, calm and happier when we are under it, reducing a lot of our stress. It gives a very joyful and positive aura just like the real sun. It has a substantial impact on our mood and emotions. How does it look? more Photos?
