

Sunrun Inc. reviews and complaints, reviews of the brands of solar panels they sell, their locations and the cost of installations reported to us for 2024. Get the best deal. Las Vegas, Nevada | 11/04/2024  
Excellent service ???

So 9 months, I've had multiple representatives from Sunrun come out to review this issue. I've also have supervisors review this issue virtually. All of them have claimed fault and have promised to move my one random component. It is now January of 2023 and there is no movement. In fact, multiple cases have been open with Sunrun.

Average solar system costs are based on our October 2023 survey of 1,000 solar customers. Sunrun services. Sunrun provides a great selection of services, including installing solar panels, battery

Placing my grievance on Yelp did get me results. My pigeon guards were placed! My feeling is that "Vivint" was highly improperly managed. Deplorable. However, it worked, SunRun now owns or manages them. They responded and it is fixed. Moving forward I hope SunRun is forthright and warns their customers about pigeon guards before the panels are

So what's keeping you from switching to Sunrun? Get the facts: In Nevada, rates for utilities went up by 12% in 2014 alone.\* Las Vegas is one of the top U.S. cities for solar. New financing options let you customize a system with no money down. Las Vegas homeowners can benefit from solar energy incentives and rebates.
