After researching several solar companies in New Mexico and sitting through demos and sales pitches we decided that Organ Mountain Solar was the way to go. We were delighted with the expertise of everyone on the team, from Troy in the Sales Dept. to Scott as the Project manager to Alex and the guys who spent a few long days on our roof.

Sunspot Solar Energy Systems, LLC was founded by a passionate and dedicated group of Las Cruces professionals determined to bring efficiency and quality to the design and installation of photovoltaic systems across south central New Mexico. Our team members are qualified, licensed, and certified.
