Pasang solar panel di rumah untuk mengurangi tagihan listrik dan menggunakan sumber energi yang ramah lingkungan. Pemasangan panel surya dapat menghemat rata-rata 9 Juta Rupiah hingga 25 Juta Rupiah per tahun. SUNterra Sales & Marketing 0851 5750 5959 (WA) Email marketing@sunterra.id; Instagram [sunterra.id](https://www.instagram.com/sunterra.id); Instagram [Linkedin](https://www.instagram.com/sunterra.id) Facebook

Typically, commercial solar power projects pay for themselves within three to five years. Better yet, solar technology will continue to generate free power for the lifetime of the panels, which are typically designed to last up to 40 years. Sunterra's designers and engineers are experts in developing the right solar strategy for every client.
