The 62 kWh pack uses modules which are very different in size and shape, and the total size of modules is larger so the case is deeper - there's no way to put the modules from the 62 kWh battery into the earlier or lower-capacity cases. Even if the new modules would physically fit, their BMS wiring will be different.

REVOLUTIONIZING RESIDENTIAL ESS!  
 BigBattery's 48V ETHOS systems are here, and this  
 40kWh outdoor configuration is the ideal solution for  
 grid-tied power in your multi-room family home or  
 multi-level mansion, supported by ???

This Off-Grid Solar System Kit includes eight 48V 100Ah LiFePO4 batteries, twenty 540W Solar Panels, and four 6500W Hybrid Solar Inverters equipped with a 120A MPPT Solar Charge Controller each. It is perfect for installation on an ???

I had my 24kwh battery swapped with a 40kwh battery from EV Rides in Portland. They usually deal in swaps from wrecked Leafs. They said they get a lot of them out of California. This was several years ago but they happened to have one 40kwh battery available from Nissan. The swap was 12K. The work was completed in one day and it has worked great!

Dealer just replaced my battery in 2016 Leaf SE. Range said 168 miles when I got in. Drove 10 miles and now it says 155. Are they putting 40 kw-hr Forums. Hi Group. Multiple Leaf packs (62 and 40kW only) available in the Netherlands. Dismantled from body damaged Leafs. With Leafspy reports. 40kW around 5000 euro ex 21%tax. 62kW around 7000ex tax. Price

The DEYE 40Kw 3 Phase Hybrid Inverter SUN-40K-SG01HP3-EU, is a cutting-edge solution for efficient energy management. With advanced features, scalability, and intelligent energy management capabilities, it offers increased energy independence, cost savings, and environmental sustainability. Find out more about this revolutionary hybrid inverter.

Fully charging an empty battery takes 90 minutes, while fast charging takes just 30 minutes. At the moment, the new truck will cost around four to five times as much as the 70,000 to 80,000 euros needed for a comparable diesel truck reports Dutch newspaper Het Financieele Dagblad. The price is expected to drop considerably once series
