

Who sells Traco power products?

TRACO Power product range focuses on markets that include Industrial & IT, Transportation & Railway, Medical & Healthcare, Automation & Control, Renewable Energy & Smart Grid. TRACO Power distributor Mouser Electronics is stocking TRACO Power products.

Who is Traco electronic?

High Quality industrial and medical DC/DC and AC/DC power conversion products since 1944 | TRACO Electronic AG is a Swiss company with headquarters based in Baar, Switzerland.

Where is Traco power located?

The TRACO POWER Group comprises the Swiss companies headquartered in central Switzerland and sales/service companies in Germany, USA and France. The design development department is located in Wexford, Ireland.

What is Traco power TXN?

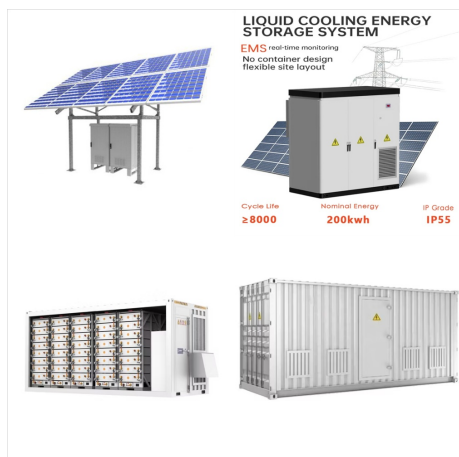

TRACO Power TXN series industrial AC/DC power supplies feature an internal EN 55032 Class B filter, reinforced 3000 VAC I/O isolation, and a universal input. TRACO's TEC 3UI series of harsh industrial DC/DC converters in a SIP-8 package have an 8:1 input range for an alternative to existing 2:1 and 4:1 converters.

Why should you choose Traco power?

Traco Power has a high reputation for global compliance with applicable regulations and directives allowing easier implementation of our products in our customer's applications. To achieve a durable and reliable performance, we subject our products to a number of hard tests, analyses and functional tests in our laboratories during production:

What types of power supplies does Traco power offer?

AC/DC converter offerings from TRACO Power provide a complete portfolio of standard power supplies that include open frame, enclosed, encapsulated, medical & more. DigiKey offers a variety of TRACO Power's DIN-Rail power supplies including Industrial, Hazardous Location, Harsh Environment & much more.

The company provides customers with optimal power supply solutions for performance, quality and cost for individual applications. Read more TRACO Power product range focuses on markets that include Industrial & IT, ???
