Back in the day having Solar panels was legit to my knowledge. Problem is Trinidad has a lot of "electricians" and not every home is wired to a standard or have cable or electrical outlets/plugs within life span (10 years). Before you could think about solar think about change everything out if your home older than 10 years and or wasn't inspection

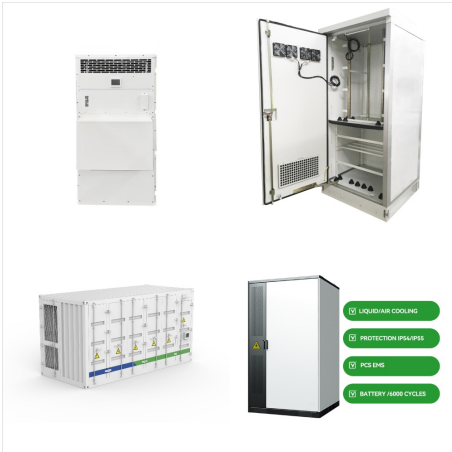

Kalisaya is another good brand that offers easy-to-set-up, waterproof and lightweight solar generators yet has the powerful capacity with 4x solar panels. Suaoki. Suaoki model is also one of the best solar generators with great value. Their solar generators are also easy to set up and have three ways of charging.
