At Solar Trading UK Ltd, we are proud to be one of the leading wholesale suppliers of solar PV equipment in the UK. With years of experience in the renewable energy sector, we are dedicated to providing high-quality solar photovoltaic systems for ???

Yes, in the UK, solar panel installations benefit from VAT-free pricing for most homeowners, making solar more affordable. Additionally, you can earn money through the Smart Export Guarantee (SEG), which pays you for the excess energy your system exports to the grid.

Get ready to make your household largely independent of the energy grid with solar panels that work for you all year round. Together, we will determine how many solar panels you need. And even better, you can do this yourself with our online configurator.
