US BATTERY MANUFACTURING CO ZIMBABWE

U.S.Battery's Deep Cycle AGM products offer several advantages over both conventional flooded and GEL lead acid battery types. Engineered with the electrolyte absorbed in glass-mats (AGM) and surrounding the plates, they will not spill if broken. This design also allows users to use the batteries to be used on their side.

CHINESE steel manufacturer Dinson Iron and Steel Company (DISCO) says it intends to locally produce lithium-ion batteries as Zimbabwe has all the raw materials required in the production process. The company expects to produce two million tonnes of lithium concentrate per year to support the battery manufacturing plant.
