

The Vatican Pharmacy (Latin and Italian: Farmacia Vaticana) is the only pharmacy in the Vatican City, founded in 1874 by Eusebio Ludvig Fronmen, a Fatebenefratelli religious. [1] According to Vatican sources, it is the busiest pharmacy in the world, with 2,000 customers per day. [1] Half of those customers come from outside the Vatican for medicines that are not available in Italy or ???

1. Determine the Goods to Export. Before starting the export process, identify the specific goods you intend to export. Vatican City has a very small population (around 800 residents), and its demand for imports is limited, mainly focusing on essential goods, religious items, and specialty products for the Vatican Museums and visitors.

We just got back from Rome and took City Experiences Pristine Sistine Early Entrance Small Group Tour. It goes through the Vatican Museum, takes you to Sistine Chapel, then entry to St Peter's Basilica. Unfortunately there was a mass in the Basilica so our tour guide was not allowed to go in with us, but regardless it was a great tour!
