Vitol is a Swiss-based Dutch multinational energy and commodity trading company that was founded in Rotterdam in 1966 by Henk Vitor and Jacques Detiger. [1] [2] Though trading, logistics, and distribution are at the core of its business, these are notably complemented by refining, shipping, terminals, exploration and production, power generation, and retail businesses.

Andrew de Pass, Head of Renewables, Vitol Inc said: "With over 160 million two and three-wheeler vehicles in India, SUN Mobility's model has significant potential. Electrifying the largest portion of India's vehicle fleet through a flexible and cost-effective offering has the potential to reduce urban pollution.
