I've had Vivint solar since 2018. It is now 2024. Vivint installs a panel on the bottom of their solar panels. It's a brown panel along the edge of the roof. I have had to battle pigeons for the last 5 years. When I called vicinit/surun to help me figure out how to remedy the problem. Mind you I didn't buy the panels.

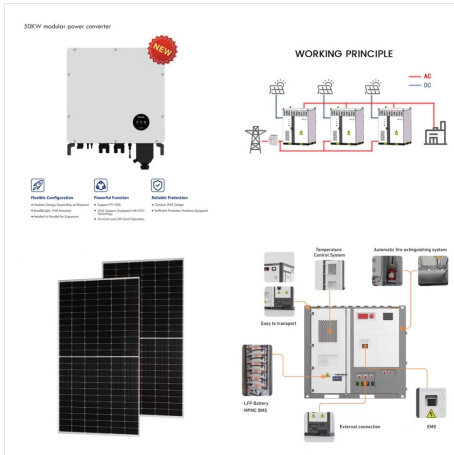

Vivint Solar is a company that was recently acquired by Sunrun and is widely known as being one of the most affordable and simplest solutions for homeowners who are ready to go solar. The salary system options from Vivint Solar are clearly laid out, have options financing the upfront cost, and include lots of great technology to make your home more energy efficient.

Vivint Solar is a leading provider of residential solar energy systems. The company designs, installs, and maintains cost-effective solar energy systems, enabling homeowners to enjoy all the benefits of solar energy with no up-front costs.

(If you downloaded the app but are unable to see your account information, try registering your app by following the steps listed here.) 2.
