WinPower will send out the shutdown command to the remote PC of the IP that you added in the below space. Hence, you only can change the time setting when you select this item. If there are more than one UPS in the shutdown conditions list, you can set different shutdown condition of each UPS according your actual status.

A missão da Eaton é melhorar a qualidade de vida das pessoas e o meio ambiente por meio da prestação de serviços e tecnologias de gerenciamento de energia. Nós fornecemos soluções sustentáveis para ajudar nossos clientes a usar energia elétrica, hidráulica e mecânica com eficiência e de forma mais segura, eficiente e confiável.

Since Balboa's discovery of Panama's Pacific Coast in 1513, empires dreamt of connecting the Atlantic and Pacific with a canal through Central America. After a number of failed attempts, the United States took on the challenge in 1904. 34 years of work, \$14 billion and 262 million cubic yards of earth later, it was completed.

WINPower is an advanced UPS management software. It allows remote monitor and manage from one to multiple UPS's in a local environment through USB communication. It can not only prevent data loss from power outage and safely shutdown systems, but also store programming data and scheduled shutdown UPS"s.
