

Who is DLIGHT?

d.light provides distributed solar energy solutions to households and small businesses in areas with negligible or unreliable grid-electricity connectivity.

What can DLIGHT do for You?

Empower your home, outdoor adventures, and disaster relief efforts with our versatile solar systems. d.light's sustainable energy solutions illuminate every aspect of your life. From everyday convenience to critical situations, our reliable products are designed to deliver light and power when you need it most!

What is DLIGHT & how does it work?

Initially founded to promote a solar lantern that Tozun and Goldman developed while students at Stanford's renowned Entrepreneurial Design for Extreme Affordability class, today d.light offers a range of solar-powered appliances including televisions, fans, and smartphones.

Is DLIGHT a good brand?

We have great and aspirational products in mobile, tv, cookstoves, fans, and solar. All these are within the industry standard of 2-year warranty and are Verasol certified. d.light has sold over 25 million solar products across 70 different countries and is a global brand you can trust.

Where is D-Light Inc located?

D-LIGHT INC is located in Kennedy Square mall (Brampton), Toronto, Mississauga and Cherry Hill Village Mall (London) is happy to offer its expertise in providing SERVICE. Our tried and true system is based on many years of cumulative experience. We pride ourselves on setting up our clients for success.

Is DLIGHT a profitable company?

d.light has created over 5,000 jobs globally through its hubs in India, Africa, USA and China. Its products are sold in 70 countries worldwide. The company is profitable and generates over \$100 million of revenue with rapid year-on-year growth. Both Ned Tozun or Sam Goldman are attending Davos 2020, and available for interviews.
