

An all-in-one power station, with a 1200Wh (100Ah) capacity and an integrated 1200W pure-sine wave inverter, comparable to an portable inverter generator but without the noise, gas, and fumes. The Goal Zero Yeti 1250 works right out of the box and turns on with the push of a button, not the pull of a cord, so it's easy for everyone to use.

Easily power up your electronics with this 1600-Watt Continuous/1006-Watt Push-Button Start/Solar Generator with 110-Watt Solar Panels (2-Pieces). It's designed to recharge quickly going from 0 to 80% in within an hour. It allows you to power 13 devices at the same time. This works well for people who travel or enjoy camping.

Recharge with Solar & Unlock Indefinite Power: Turn your Yeti 1500X into a solar generator when you combine it with a Goal Zero solar panel; our power stations feature a 600 Watt MPPT charge controller (Maximum Power Point Tracking), which increases solar input by up to 30 percent

YETI SOLAR GENERATOR AFGHANISTAN

Charge the Yeti 3000X from the sun with our portable solar panels while away from the grid and keep it topped off from a wall outlet when you're home. Integrated MPPT charge controller ensures you're getting the most efficient solar charge possible.

Goal Zero Yeti Portable Power Station - Yeti 1000X w/ 983 Watt Hours Battery Capacity, USB Ports & AC Inverter - Rechargeable Solar Generator for Camping, Travel, Outdoor Events, Off-Grid & Home Use 63

This convenient and compact solar generator is the perfect for your next adventure or any unexpected backup power needs. Highlights Impressive power: the power output of 600-Watt AC with a 1,000-Watt surge, gives hours of runtime on portable refrigerators, pellet grills and outdoor lighting, as well as hours of charging for phones, tablets

YETI SOLAR GENERATOR AFGHANISTAN

Goodbye Gas Generator. Hello Yeti X ??? With a lithium-ion battery at its core, the Goal Zero Yeti X equips you with safe, clean, portable power for camping, tailgating, off-grid events, workshops, and home backup.

Turn Your Yeti Into a Solar Generator. Take your Yeti completely off grid by pairing with solar panels. There is a lot to consider when choosing a panel, but we've made the process simple with this easy to use chart. Check out the chart to explore all your solar generator pairing options.

The 6th generation Yeti 700 + Nomad 100 solar generator is built with upgraded LiFePO4 battery technology and can run fridges and appliances in your RV, power grills, recharge power tools, and keep your devices charged. Our Nomad panels are ???
