

Who is Beny new energy?

BENY New Energy is a trusted manufacturer of protective components for photovoltaic systems across the globe. Our experience of working in the electrical industry for more than 30 years allows us to create solar DC components that comply with the latest DC standards.

What is ZJBENY?

ZJBENY, Zhejiang Benyi Electrical Co., Ltd., is one of the leading manufacturers of DC components and solar combiner boxes in China. They offer 1000V 1500V solar components and solutions. They were the first DC switch to be listed by UL508i in China. They are also the first DC switch manufacturer up to DC-PV2. They supply DC surge arresters and DC switches to top solar inverter companies.

What certifications does zjbeny have?

ZJBENY also holds SAA, CB, CE, TUV, ISO, RoHS certifications. ZJBENY offers high quality and cost-efficiency green energy solutions. Thanks to the patented technology and functional design guarantee a higher satisfaction than the industry standard. What Is A Grid Connected Solar Energy System? What Is An Off Grid Solar System...

Who are zjbeny products?

ZJBENY products are backed by the skills and service of a dedicated team of customer-focused specialists; they have been striving to provide high-quality products for residential and commercial rooftop systems utilities all over the world. 1000V 1500V DC isolator switch, dc surge arrester and solar combiner box.

What makes Beny eV Products so popular?

In recent years, BENY has attentively invested resources in research on EV-related products, successively manufacturing other types of products, thus reaping wide market popularity across the world.

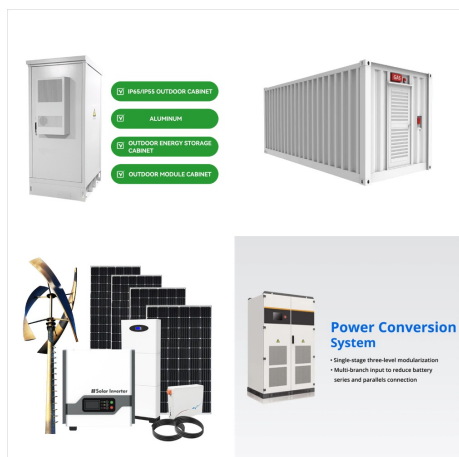

BENY New Energy ist ein vertrauensw?rdiger Hersteller von Schutzkomponenten f?r Photovoltaikanlagen auf der ganzen Welt. Unsere mehr als 30-j?hrige Erfahrung in der Elektroindustrie erm?glicht es uns, Solar-DC-Komponenten zu entwickeln, die den neuesten DC-Standards entsprechen.
